SCHOOL SPIRIT

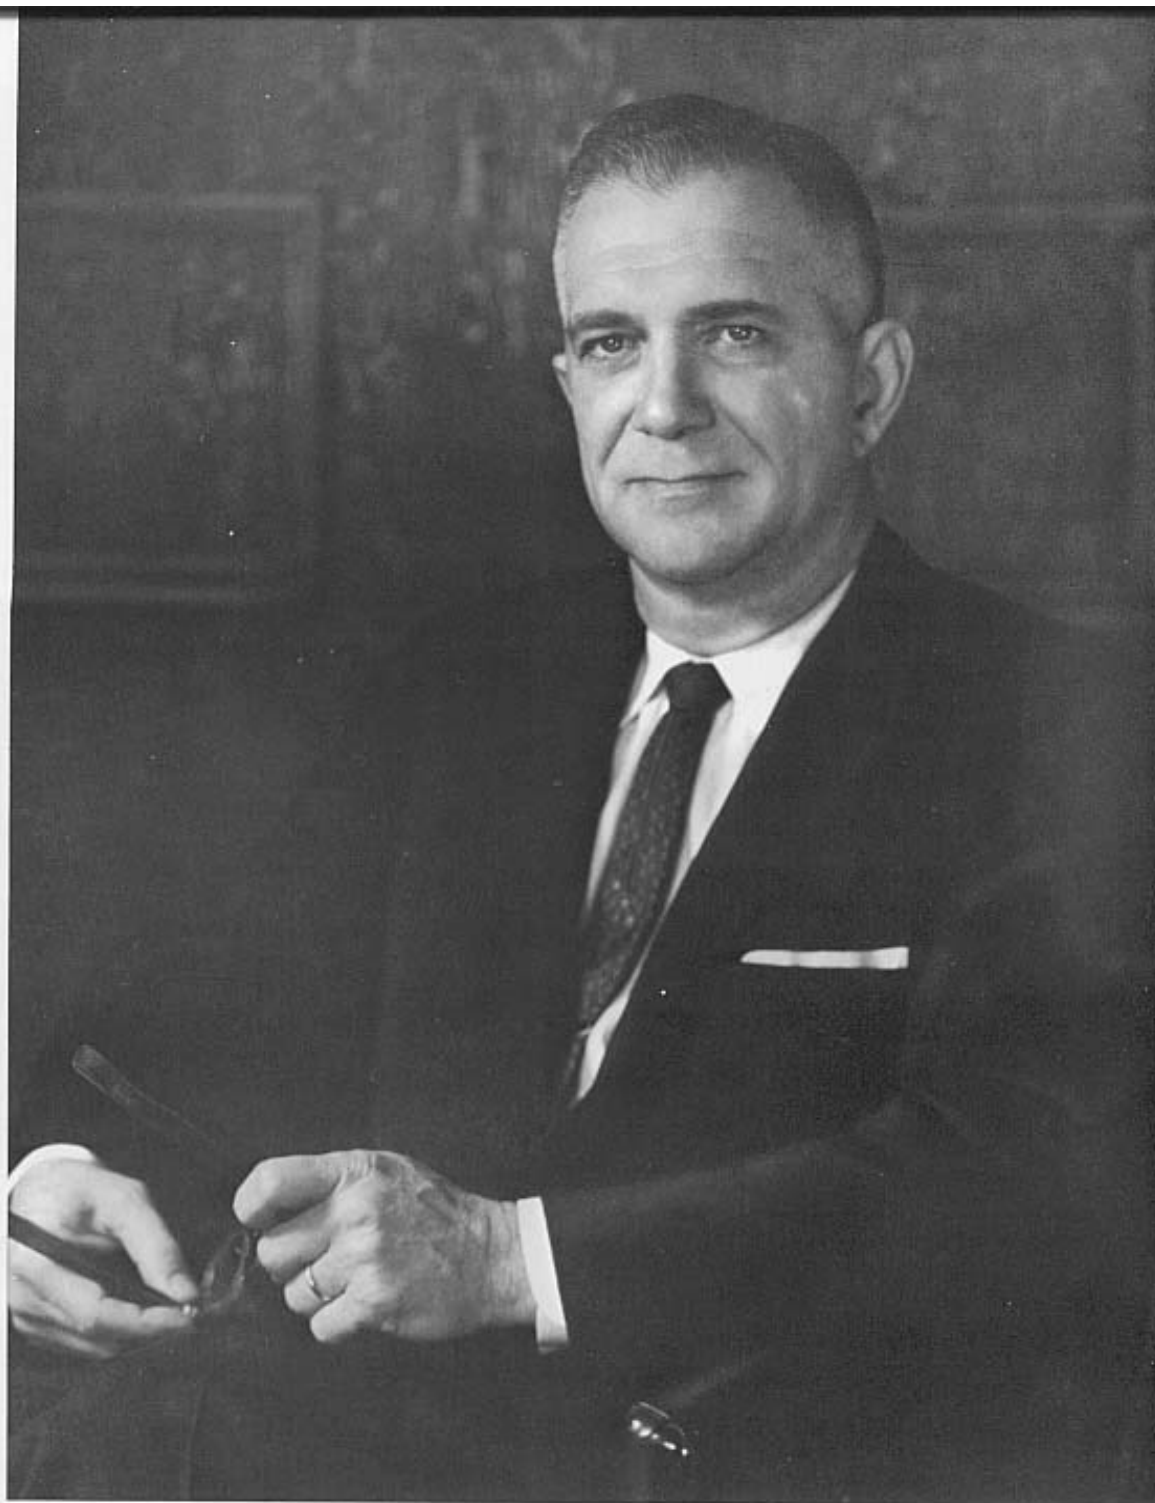

S . . .

APPRECIATION . . .

It is with deep gratitude that we dedicate the 1965-66 edition of our yearbook to Dr. Raymond Christian, Superintendent of Schools. Although we have seldom had any direct contact with him, Dr. Christian has played a major role in our years at Lee. It was largely through his untiring efforts that our school came into existence. Since Lee's beginning in 1958 he has worked unceasingly to provide each student with the best educational opportunities possible. In our academic and extracurricular activities we have always been assured of his interest and support. This year Dr. Christian leaves to assume a new position in the field of education. Although he will no longer be connected with our school system, he will always maintain an important place in the memories we have of our high school years. He has been the director without whose efforts this play could never have been produced.

Dear Cherri,

I always appreciated those pleasant smiles that you gave me in those dark halls of Lee High. It's really been lots of fun having you around in English class and I hope you will always remember it.

Good luck in your future endeavors.

What a knock-out redhead! You're really "fabulous". Cherri, I really think the world of you. You're one of the nicest, sweetest, cutest, etc. girls I know. Why should you worry about getting ahead with your personality plus? I wish you all the success in the world. A girl like you really deserves it.

Love Always,

THE TRAVELLER STAFF

Lee High has had a newspaper since 1961. For the first three years the paper appeared in mimeographed form, but in 1964 the Traveller began publication by regular printing press.

That year, also, the paper won the rating of "excellent" from the Alabama High School Press Association; the next year it carried a rating of "superior" from the AHSPA, under the editorship of Candy Folk.

We confidently expect even greater accomplishments in the future.

VARSITY DEBATE SQUAD

MEMBERS: Janet Pruitt, Sheila Carroll, Ronnie Hornbuckle, Bill Howard, Doug Fenell, John Hargrove

The Varsity Debate Squad is a member of the Alabama High School Forensic League. The Squad represents Lee High School at tournaments in North Alabama. A debate is a formal oral controversy and debaters must be willing to spend many hours on research for their cases. Debating helps a person to learn to collect and organize ideas, to evaluate evidence, to think and speak convincingly.

The national high school debate problem area for 1965-66 is "What policy of labor-management relations will best serve the people of the United States?"

The Lee Debate Squad will attend the District Debate Tournament sponsored by the University of Alabama in early spring and hopes to attend the State Tournament later in the spring.

November 20, 1965 was a momentous occasion for twenty Anchor Club girls and an amused crowd of spectators. Clad in their football uniforms, complete with pads, the girls from Lee and Butler Anchor Clubs played a rough football game which revealed Lee as the victor with a score of 19-6.

The girl Generals had spent eight weeks practicing hard football techniques and their preparation was shown by their excellent playing.

At halftime Lee led 12-0. Half time festivities included the presentation of trophies to coaches Jim Ramsey, Danny Webster, Phil Wilson and Rodney White. Also the game was declared homecoming for Lee and the court and Queen were announced. Sophomore Maid was Larry McFarland, Junior Maid was Carl McCulley, the two Senior Maids were Lynn Baeder and Roger Rozell; the Queen was Ken Martz.

Throughout the game the crowd's spirits were kept high by the Lee High Cheerleaders composed of Key Clubbers, Hub Harrington, Randy Goodpasture, Bob Crump, Gary Jordan, Jim Jones, Danny Johnson, and Jim Hutto.

The Lee and Butler Anchor Clubs donated the proceeds from this game to the Cripple Children's Clinic of Huntsville.
